The form you filed to make the change to the correspondence address had the incorrect application number on it. You will need to contact our Publications office to have this issue corrected since both applications have been issued. They can be reached at 571-272-4200 or 888-786-0101.

Subject: A serious mistake caused by wrong information

My Patent No. 7,006,562

App. cat# 09/804, 830

Dear Sir/Madam:

I had mailed to your office an application form for change of correspondence address on Nov. 30, 2005 to request for changing my correspondence address from LADAS & PARRY LLP (224 SOUTH MICHIGAN AVENUE SUITE 1600 CHICAGO) into the following:

Chien Chou
5F, 37-3 Chuan-yuan Rd., Peitou
Taipei 112
TAIWAN

However, a few days ago, I received another person's patent certificate (Patent No. 6,999,462). After checking the Internet, I found that my correspondence address was filed under that wrong patent, while the address under my patent stayed unchanged. So, my patent certificate had been sent to my original attorney! This will cause me some trouble to get it back. PLEASE make corrections in your database. I'll mail the wrong certificate back to your office, but please let me know who and where I should address to.

Chien Chou
